ROCK SOLID Photography and Videography Service Agreement (11-08)

Financial Terms:

One half of the full package price, but not less than $1,000, plus the full sales tax is payable at the time of booking. This deposit amount reserves the date and your selected package. 50% of the balance is due no less than three months before the contracted wedding date. The full balance is due two weeks before the contracted wedding date. Late payments must be approved and will be charged an additional $100 fee. Weddings booked during the same month of the wedding must be paid in full at the time of booking. Any returned-check fees shall be the full responsibility of the payer and must be paid prior to the wedding date.

Cancellation & Refunds:

Cancellations postmarked at least six months prior to the wedding date, by the deposit-paying party only, receive up to a 50% refund of the total amount paid. Cancellations postmarked within six months receive up to a 40% refund of the total amount paid when a new wedding has been contracted replacing your reserved date. The *Deposit Suspension Option* allows 100% of the total amount paid to be applied toward a future wedding within 18 months after the date of the original written cancellation based on the packages and prices available at the future time of the rebooking. Any price increase must be paid at the time of rebooking.

Package Design & Delivery Terms:

Each wedding package is complete and ready for pickup within eight weeks after your final proof selections have been received. You receive all lab-processed photos on CDs or DVDs. When film is used, you also receive all negatives. You may choose DVD or VHS format of your wedding movie when contracted.

No-Performance Terms:

If we fail to capture and/or produce, for any known or unknown reason, any single package item contracted, the amount paid for that lost photo and/or video service, whichever is the lesser company cost the lost item will be refunded to the original payer within 90 days after the wedding date. Any dissatisfaction with our final product and any and all future liabilities for such losses are fully waived without exception.

Special Considerations

We will not engage in any acts that may potentially endanger any person, animal, or damage property. All shooting-team members are entitled to eat the same or like-banquet meal, at the same time the Bride is seated to eat her meal.

Travel Terms

A minimum of $50 for travel expenses will be charged per each shooting-team member if the wedding location is over 40 miles from Downtown, Orlando, FL. Reimbursement is due prior to picking up your package.
